1. Grant of Right-of-Entry: The undersigned (“Owner”) hereby authorizes the Commonwealth of the Bahamas the Ministry of Disaster Preparedness, Management and Reconstruction, the Disaster Reconstruction Authority (collectively, the “Government”) and the Government’s Debris Removal Contractor (“Debris Removal Contractor”), and their respective assigns, employees, agents, and subcontractors (collectively, the “Assistance Providers”) to have the right of access and to enter in and onto the property described above for the purpose of removing disaster debris (“Services”). It is fully understood that this Right-of-Entry Permit (“ROE”) does not create any obligation on the part of the Assistance Providers to perform Services measures to the Property. Owner understands that no Services will be performed until this ROE is completed in full.

2. Time Period: The ROE shall expire 180 days after this form is signed, unless cancelled sooner according to the terms herein.

3. Hold Harmless: The Owner understands that this Right-of-Entry is not an obligation upon the Assistance Providers to perform debris removal. The Owner agrees to indemnify and hold harmless the Government and the Debris Removal Contractor and their respective assigns, employees, agents, and subcontractors, for damages of any type whatsoever, either to the above described property or to persons situated thereon. The Owner releases, discharges, and waives any action, either legal or equitable, that might arise by reason of any action of the above entities.

4. Miscellaneous:

- a. Owner represents and warrants that Owner has full power and authority to execute and fully perform Owner’s obligations under this ROE. If Owner is an entity, Owner also represents and warrants that Owner has such power and authority pursuant to its governing instruments, without the need for any further action, and that the person(s) executing this ROE on behalf of Owner are the duly designated agents of Owner and are authorized to do so.
- b. If possible, the Owner will mark any sewer lines, septic tanks, water lines, and utilities located on the described property.
- c. Information is collected to make it possible for the Assistance Providers to enter the Owner’s property and perform Services. Information submitted may be shared with Assistance Providers, their contractors, subcontractors and employees, as well as with voluntary, non-profit agencies performing inspections and/or emergency protective, for official use only in accordance with the purposes stated in this ROE.
